**PROPOSED RESIDENTIAL
DEVELOPMENT**

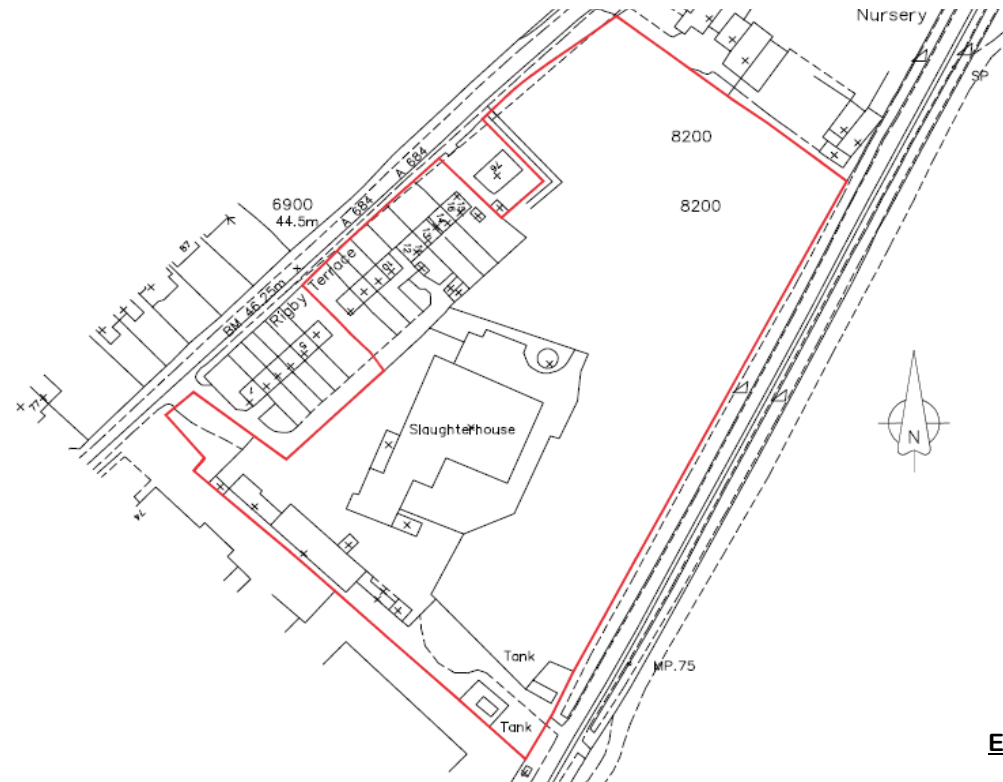

THE PROPOSED DEVELOPMENT

Prior to the submission of an application for outline planning consent to Hambleton District Council, we are seeking the views of the local community about the proposed residential development on the site of the former Abattoir Site, Aiskew, Bedale.

Taylor Wimpey North Yorkshire are considering submitting an application for outline planning consent for residential development on the site. This will include the demolition of the Abbatoir and 7—16 Rigby Terrace for the erection of a mix of about 80 No. 2,3,4 and 5 bedroom residential dwellings. The site has been identified by the Council for housing development in emerging planning policy documents. We would welcome your views on the principle of residential development on the former Abattoir site, Aiskew.

Example House Types

Extent of Abattoir Site

If outline planning permission is granted, details of layout, house types, access, landscaping etc will be submitted to the Council for subsequent planning approval.
