**Prior to the submission of a formal planning application to Middlesbrough Borough Council we are seeking the views of the local community about the redevelopment of the former Central Police Station on Dunning Road.**

**The proposal would see the demolition of the existing building, replacing it with a modern purpose built hotel and multi storey car park.**

**We would welcome your comments by Friday 22nd February at the latest.**

Morton House, Morton Road, Darlington, Co. Durham, DL1 4PT
